## SENATE BILL

No. 1442

## **Introduced by Senator Escutia**

February 22, 2006

An act to amend Section 52244 of, and to add Section 52245 to, the Education Code, relating to pupil instruction.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1442, as amended, Escutia. Schools: advanced placement examination fees.

Existing law establishes a 5-year pilot grant program, administered by the State Department of Education, for the purpose of awarding grants to cover the costs of advanced placement examination fees. Existing law authorizes school districts to apply to the department for grant funding under the program based on the number of economically disadvantaged pupils in the district who will take the next offered advanced placement examinations. Existing law repeals those provisions on January 1, 2008.

This bill would delete the January 1, 2008, *repeal* date, thereby extending those provisions indefinitely.

The bill would also establish the Advanced Placement Challenge Grant Program under which a high school of 4 or less advanced placement courses, as specified, would be eligible for a specified grant. The bill would limit the number of grants awarded on a competitive basis, as specified, to no more than 550 high schools. The bill would require a grant to be used for, among other things, to establish, train, and support vertical teams of teachers, as defined, and to purchase instructional materials and equipment for advanced
